Thanks Ola for checking in on this... which of the courses and what are the dates of the one IDPH is interested in? I see 5 different ones listed for 2021.

Hi Suzanne, we intend to nominate one of our inspectors for this training. I remember I was informed to coordinate with you to improve our chances of being selected. Do you have anyone interested this year?

Thanks, Ola

**Subject:** [External] PREP 2021 Courses Announced by EPA - Pandemic, Lab Issues, Public Health, & Water Issues

Please find as attached the PREPs scheduled for 2021. The first three in the attachment will be held online, while the latter two may be held in person, but as a back-up they are also being set-up for online.

Please note that in addition to pandemic related courses, there is one for Labs, Pesticides in Water, and Public Health. The specific course registration opportunity for the first "Pandemic Product Registration" will be out very soon, so look out for it.

Please share this with other colleagues in your office who may have an interest. Thanks.

**Subject:** FW: PREP 2021 Course Announcement

Colleagues,

I am happy to share with you the 2021 Pesticide Regulatory Education Program (PREP) line-up for 2021 (see attachment or information below). Our planning started last November resulting in a line-up of five courses for this year, including two which are pandemic-specific. The nomination call for the first PREP addressing Pandemic Registration Issues will go out this week.

We will once again be saving space for 2 or 3 EPA attendees per course (with no registration fee while online), and may be contacting your offices for information on specific topics or for speakers.

Please feel free to share this announcement with others, and contact me if you have any questions.

Best wishes,

Cindy Wire  
PREP Coordinator & Region, State, Tribal Liaison  
US EPA Office of Chemical Safety & Pollution Prevention  
San Francisco, CA

## PREP 2021 Courses

---

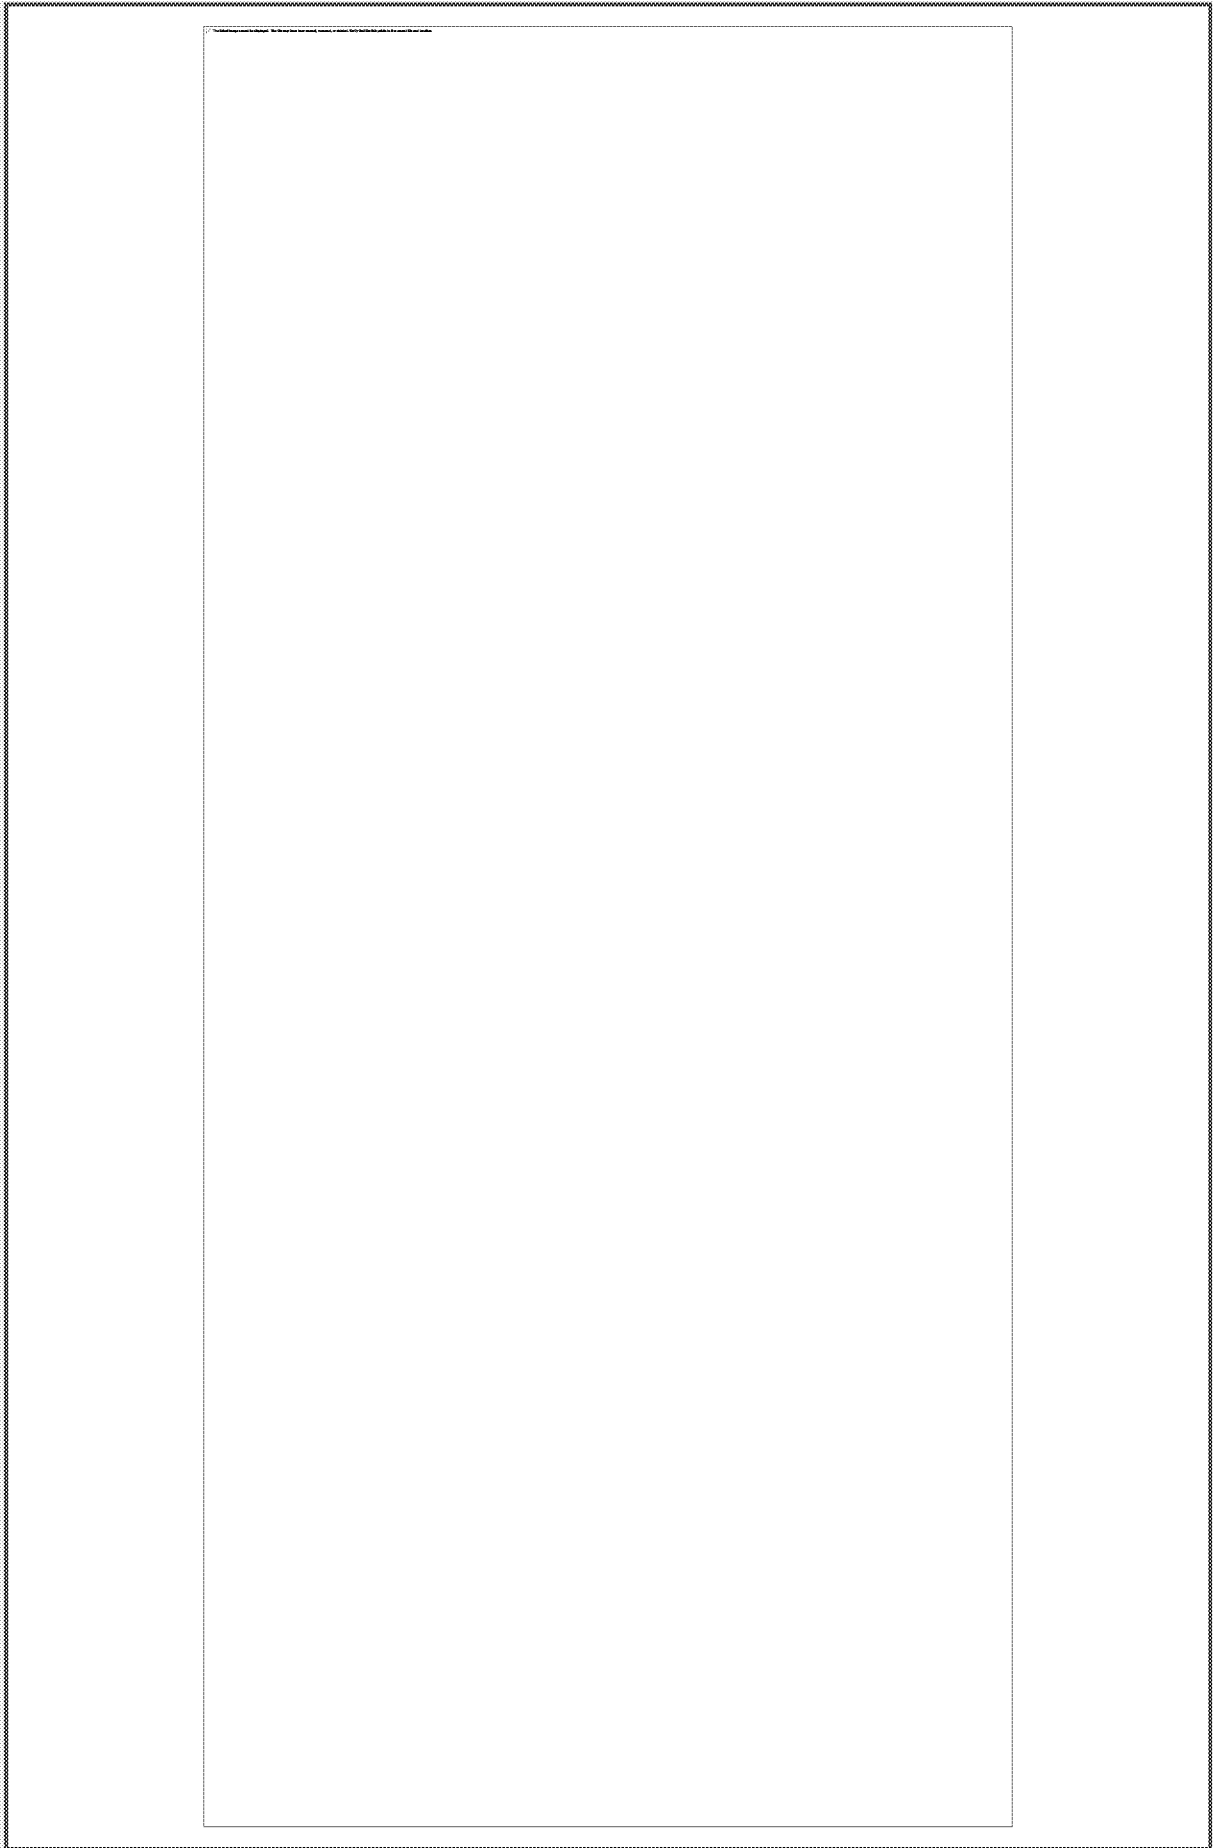

Dear PREP Community,

Attached is the schedule for the 2021 PREP season. We thoroughly enjoyed the 2020 PREP season, even with all the twists and turns, and look forward to another great season. We want to thank everyone who provided feedback last year. The PREP Steering Committee considered your feedback, along with the historical rotation of courses and current needs when identifying the line-up for 2021.

Please note that nominations for the first course open **Thursday, January 28th**. We hope to see you during the 2021 PREP season!

Feel free to contact the PREP team at [prep@ucanr.edu](mailto:prep@ucanr.edu) with any questions.

Wishing you and your families a happy new year, and hoping you all are safe and healthy.

---
